**To whom it may concern**

I confirm that Business Leadership South Africa (BLSA) have dealt with MarbriTech since 2010, during which time they have provided us with excellent service in the all areas of our IT infrastructure, site optimization, cabling and access control solutions, supply and support of hardware and software as well as voice and security solutions.

Their work has been a major factor in us meeting our productivity requirements, and their ability to provide the right solutions to our challenging environment has been invaluable.

I can confidently recommend MarbriTech as a solid and reliable supplier, and experts in their field.

Yours faithfully
